

## Journal Prompt

Writing or journaling is always a great activity to exercise your mind! Here's an image in our collection. You may choose one or more of the suggested prompts below.

This photograph was taken in 1969 and features retired Texas Ranger M. T. Gonzauillas standing beside a wax figure of himself at the Southwestern Historical Wax Museum at the State Fair Park in Dallas, Texas. Ranger Gonzauillas was known as "El Lobo Solo" (The Lone Wolf) because he often pursued bootleggers, gamblers, and drug runners on his own. In 1935, Gonzauillas served as the Superintendent of the DPS Bureau of Intelligence and created a crime laboratory second only to the FBI.

- What do you think retired Ranger Gonzauillas is thinking in this photo?
- How would you feel if someone made a life-sized wax statue of you?
- Write about this wax figure coming alive, like in the *Night at the Museum* movies.
