

## Journal Prompt

Writing or journaling is always a great activity to exercise your mind! Here's an image in our collection. You may choose one or more of the suggested prompts below.

This photograph was taken in 1951 and showcases a meeting of past and present! Texas Ranger Clint Peoples is reaching down from the helicopter to Texas Ranger Truemon J. Stone on the horse. Even in modern times, some Texas Rangers still choose to use horses on terrain difficult for wheeled vehicles. Part of the reason why? They never run out of gas!

- Give this photo a caption – What do you think is happening here?
- What do you think the two Texas Rangers are saying to each other?
- Would you rather ride in a helicopter or ride a horse? Why?
