

Journal Prompt

Writing or journaling is always a great activity to exercise your mind! Here's an image in our collection. You may choose one or more of the suggested prompts below.

This painting is entitled *Texas Horses* and was painted by Jack Bryant in 1985. The realism of this painting is incredible. From the light reflecting off the horses to the reflections in the creek water, Bryant paid a close eye to detail. Give this painting a caption:

- What do you think is happening here?
- Do you think these horses are wild? Why or why not?
- Write from the perspective of the cowboy keeping an eye on these horses.
